

Inukshuk 30/25

Inukshuk 30/25 supplies the elevated energy levels required for sustainable endurance. Whether pulling a sled or hunting your favorite game, Inukshuk 30/25 gives working dogs what they need to perform, season after season. We include the same high quality ingredients as our Inukshuk 32/32 formula, offering superior digestibility and palatability, plus vitamins and chelated minerals to provide exceptional support. With superior performance and consistent results, Inukshuk 30/25 will allow you to tap into your dog's maximum potential.
